

OPPORTUNITIES WORKSHOP

Monday, August 29th

5:30 - 7:30 PM

Ridgway Town Hall

You shared your goals for the future of Ridgway at the first Open House. Now is the time to work with the planning team to translate those goals into on-the-ground solutions.

Please join us to explore planning opportunities that promote sustainable land use, economic vibrancy, and community character.

This charette-style workshop will begin promptly at 5:30 PM. Please let us know if you cannot be there at that time, and we will make arrangements for you to join the meeting late or provide input outside of the workshop.
